not far from graphic dismemberment of the Gnostic Chain.

It's

sculptable machine of the past night for tomorrow. I'm just lying in the mud for allurement of "sleep".

Christ-fillet

at the controlling belle preserved in a protection of enslavement.

have everything
well i like to go
for a swim 'cause
i'm goin' nowhere
soon in the snow
or rain or sun
i know i can't be
undone
& now i have
everything

& **now i have**
everything

*& now i have
everything*

*& now i have
everything*

there's

a reason for it

& i'm crushed
you

saw it

i know it gets
that way sometimes
where you never
wake up but
I know if you
ever wake up
if you ever wake
up
you're mine
it's true
